

## Our Hospital Partners

Help you to get the care you expect and deserve.

**When you need to go to the hospital, visit one of our affiliated hospitals. We can best coordinate your care when you visit one of our trusted hospital partners.**

- Optum Care Network–Monarch has doctors who work at these hospitals. They can communicate with your primary care doctor to better coordinate your care.
- These doctors will have access to your medical records, lab results and medication lists.
- Your primary care doctor will automatically receive a summary of your hospital stay when you are discharged.
